

# Help kids celebrate their birthday!

The Christian Cupboard Emergency Food Shelf is looking for groups who want to either build birthday bags (30-40 bags) or raise funds to purchase birthday bag materials for their month (\$250).

These bags are given out during the first week of each month to clients with kid's (0-17years) with a birthday that month. We try to ensure that every child at least gets a little something on their birthday.

## Birthday Bags Items:

- Cake Mix
- Frosting
- Candy
- Decorations

### Optional items:

- Toys suitable for kids 0-17years
- \$5 gift cards
